

Wales Center Volunteer Fire Co., Inc.

Office of the Fire Chief

Dear Homeowner, Landlord and/or Tenant:

Time is critical in an emergency!

Over time, the house numbers on many mailboxes and residences in our fire protection district have become faded, covered up or worn away. This makes it increasingly difficult for responders – first aid, fire and police – to find your home in an emergency. The minutes lost while searching for you or your loved ones could even mean the difference between life and death.

As Members of your local volunteer fire company who respond to your emergency calls, we would like to put up reflective address signs at the driveways of each residence, to assist us in reaching you in a timely manner.

In order for us to respond quickly to your emergency, we recommend that you have your house number posted conspicuously at the road, using a minimum of two-inch (2”) high reflective numbers. The house number should be clearly visible from both directions, and not obscured by trees, shrubs, bushes, mailboxes or other delivery boxes.

The Wales Center Volunteer Fire Company is offering complete kits, including the sign (with reflective numbers on both sides), the steel post, and all necessary hardware for a cost of \$20.00 per kit. This includes installation.

If you would like a reflective address sign, please complete both pages of this form and return them to us via:

- Email: signs@walescenterfire.com
- Fax: 716-652-0244
- Postal mail: PO Box 124, Wales Center, NY 14169-0124
- In Person: Stop by the fire hall on any Thursday evening between 6:30pm and 9:30pm, or any time that a member is there.

Full Name: _____

Street Address: _____

Telephone: _____

Home Cell Work

Email Address: _____

You will be contacted by a member of the fire company to schedule an installation date and time.

Thank you for helping us to help you!

Please note that the purchase and installation of a reflective address sign does not relieve the property owner from any liability.
